Dear Brian,

RE: APPRECIATION

On behalf of myself and the Board of Directors of NARCO, I wish to extend our sincere appreciation for imparting negotiation skills to us all. The sessions were interactive and very interesting.

This has expanded our knowledge and capacity to tackle negotiations in a win-win manner.

We thank you once more .

We look forward to fruitful cooperation with your company in future.

Yours Sincerely
National Ranching Company

Dr John Mbogoma
